

PREFIX APPLICATION

Letters are permissible providing that there are no less than two letters.

Any member with a recognised stallion's name as a Prefix and paid prior to September 1977 is permissible. If the member becomes unfinancial then that Prefix is lost and will not be available to that or any other member.

To retain a Prefix the member must remain a financial member of the Association. An initial fee is imposed on registering a Prefix.

The name registered may be used as a Stud Prefix, but is essentially a Prefix to the name of a horse. However, it is not compulsory that it is used as a horse name Prefix.

Individual memberships or constituent memberships on an agreement can use the same Prefix. The Association Office must receive in writing an authorisation signed by the nominee of each membership involved.

The Registrar can refuse to accept names or Prefixes which are likely to be confused with other horses, or Prefixes, or misleading to their sex.

Members may register more than one Prefix.

Members must be financial by the 28th August each year otherwise the Prefix can be re-allotted.
